The Honorable Wesley Chesbro, Chairperson  
California State Senate  
Joint Legislative Budget Committee  
State Capitol, Room 5100  
Sacramento, CA 95814

Dear Senator Chesbro:

The California Department of Transportation (Department) transmits the quarterly package of monthly status and oversight reports on the Project Resourcing and Schedule Management software project. This is required by a provision of Item 2660-492 of the Budget Act of 2005. The provision says:

Beginning July 1, 2005, the Department of Transportation shall provide to the Chairperson of the Joint Legislative Budget Committee copies of the monthly status and oversight reports submitted to the Department of Finance for the Project Resource and Scheduling Management Project on a quarterly basis.

The Department submits the status reports to the Department of Finance. An independent consultant submits the oversight reports to the Department of Finance. The attached package of reports are those that were submitted at the beginning of March 2006, April 2006 and May 2006.

Sincerely,

A handwritten signature in cursive script that reads "Janet S. Dawson".
